## Great Lakes Scavenger Hunt: Reflections Part I

Now that we have completed our hunt for information about the *Great Lakes*, please think about the following questions for homework. Use complete sentences in your answers and be specific with your examples. We will share the information in teams and as a class tomorrow.

1. What are three pieces of information about the *Great Lakes* that you did not know prior to this activity but think that people who live in the *Great Lakes Basin* should know?
